Dear Parent(s)

We thank the Almighty God for given us another opportunity to continue to attend to our various responsibility both as parent(s) and staff.

We sincerely welcome all of you to the 2017/2018 academic year. We hope you had a wonderful holiday. To the parent(s) who joined the Sterling School family this session, we say; you are highly welcome. You have taken the best decision for your child(ren). We believe in the "Principle of Comprehensive Education and Equality Of All Learners". You and your child(ren) will be treated with utmost respect and care.

A lot of activities have been lined up for this session and we would appreciate it if you take part in them as you will be making your child(ren) happy. Class assemblies, cultural day celebration, amongst others are activities where your child(ren) and his/her class picks a "topic" and make an academic presentation for you and the whole school, therefore your presence at such events will give more confidence and encouragement to your child.
